Dear Valued Community Member or Organization:

In January, Derik Maloney, a Burlington resident, volunteer, devoted husband and father of two young sons, Kevin and Spencer Maloney, passed away unexpectedly. As many residents from Burlington, his hometown of Winsted, and many neighboring towns know firsthand, Derik was well-respected for how unselfishly he lived his life. Whether it was working long hours to support his family, coaching young athletes to achieve their goals, cheering them on at basketball games, or giving back to the community by his countless hours and years of service to the Burlington Lion's Club, Derik touched many of our lives in numerous ways.

On Saturday evening, April 5, the Burlington Lions Club, Harwinton Youth Sports Association, Region 10 and the Lewis Mills Football Boosters are co-sponsoring a fundraising event to benefit the *Derik Maloney Family Fund* which has been set up to provide financial support to his family. The event includes a pasta supper, activities for young children, a basketball game featuring volunteers and coaches from the sponsoring organizations, raffles and a silent auction. The event will be held at Lewis Mills High School where many will remember having seen Derik's big smile in the stands.

Please consider helping to make this event a success by donating an item or service to be included in the raffle or auction. Your investment in the event in Derik's memory will not only provide heartfelt and needed support for the Maloney family, but your generosity will help our small community to remain connected in our united effort to give back, as Derik did. In appreciation of your donation, the name of your business will be added to the list of sponsors who will be contributing to the success of the development of the *Derik Maloney Family Fund*.

Thank you very much for your consideration.

Sincerely,

The Derik Maloney Family Fund Committee
